

PETER THOMSON

Peter Thomson has taught and trained teachers in Sydney since 1981.

He visits Pune frequently to study with the Iyengar family.

Peter is a regular visitor to Bali, teaching an annual retreat in Ubud each year since 1997. Peter's approach to teaching is process based rather than prescriptive. The nature of the work, in this workshop at Bali Yoga Shala, will reflect the understanding and concerns that surface in the workshop.
